

## Lesson 19: Build a Tail

Set up: set out blocks, crayons, and large pieces of paper. Invite children to arrange the blocks in a peacock tail design on the paper. Trace around the blocks with various colors. Remove the blocks and color in or draw designs in each outline.

Big Questions:

What makes a peacock special?

What designs do you think a peacock has on its feathers?

Do you think bright colorful feathers can help a peacock?

What would you do if you saw a peacock in your room?
