

Lesson 17: Hug a Penguin

Materials: Decoder Game, scissors, penguin toy or any stuffed animal (optional)

Show the Decoder Poster and invite children to search for any bird or egg pictures. Ask what other animals do you see?

Cut out the letter and picture tiles and then work together to build the word "hug"

Point to each letter, say the sound together and cheer each time a new word is built, (hug, bug, rug).

Miss Daniela's Class: Invite children to choose a picture on the Decoder Poster. Help them say the beginning sound of that letter.

Challenge- Encourage children to name a picture on the Decoder Poster and then clap out the syllables.

b-ug

bug

h-ug

hug

r-ug

rug
